## Summary

Full Stack Web Developer with a background in volunteering and a life-long desire to learn. Effectively combine creativity, problem solving, and leadership abilities to develop user-friendly applications, individually or as part of a team. Great patience, attention to detail, and sense of humor.

## Technical Skills

**Web Design/Development:** PHP, MySQL, HTML, CSS, Photoshop, SEO, Javascript, jquery, Git, Node

**CMS:** Wordpress, Drupal, Joomla

**Operating Systems:** Windows

**Software:** Zen Cart, Openads, Bamboo Invoice, Open Office, phplist

## Relevant Experience

**Owner/Developer**

*April 2019 - present*

**Christian Web Developer**

Tucson, AZ

Re-branded my business based on my core values of honesty, integrity, attention to detail, ability to work with others, creativity, problem solving, and communication skills (both written and verbal). Currently own Christian Web Developer, a web design and development site for attracting new clients.

**Owner/Developer**

*January 2007 - March 2011*

**Prescott Websites**

Dewey, AZ

Owned and operated Prescott Websites, a web design and web development business. Created websites for clients using best practices and the latest technologies.

## Education

University of Arizona	Full Stack Web Certificate	(January 2020)
Kaplan University	Web Design and Site Development Foundations	(September 2009)
Yavapai College	PHP	(February 2009)
